

LifeLab

The Supplement Specialists

READY TO LAUNCH YOUR SUPPLEMENT BRAND?

Starting a supplement business means making important decisions from day one. Your manufacturer should offer more than a price, you need clear guidance, consistent quality and a realistic plan that works for your budget.

Why choose Life Lab Manufacturing:

Guidance without the jargon

Sensible low MOQs for new brands

Industry standard accreditations

Room to scale from day one

Let's explore first steps

You do not need every detail worked out before starting a conversation.

Life Lab Manufacturing takes the time to understand your product idea, production requirements and business priorities before recommending a practical way forward.

A straightforward manufacturing relationship. Clear communication. A focus on quality and consistency.

Build your brand with confidence.
